The screenshot shows a web browser window with two tabs: 'localhost / 127.0.0.1 / belajar_la' and 'Laravel 11'. The address bar shows 'belajar-laravel11.test/users/create' with a 'Not secure' warning. Below the browser is a dark navigation bar with a logo and links for 'home', 'about', 'contact', 'gallery', and 'users'. The main content area is titled 'create new user' and contains a form with three input fields: 'Name', 'Email', and 'Password'. Each field has a red error message below it: 'name wajib di isi.', 'email wajib di isi.', and 'password wajib di isi.' respectively. A blue 'Save' button is at the bottom of the form.
